Communities**
Local Drug & Alcohol Task Force

Much has happened in the past
forty years.

Heroin arrived at the end of the
1970's early 1980's and things
changed in working class
communities.

**What exactly did happen?
What did it all mean?
What does it mean today?**

We will be using a mixture of
relevant film and spoken voices to
bring some light to the
conversation.

We dearly hope that you can join us

In conjunction with the
Canal Communities Drug & Alcohol Awareness Week 2019
14th October to 18th October
